To the best of our knowledge these plans are drawn to comply with owner's specifications. The contractor and/or homeowner shall verify all dimensions and enclosed drawings. **Jones Accessible Homes, LLC** is not liable for errors once construction has begun. While every effort has been made in the preparation of these plans to avoid mistakes, the maker can not guarantee against human error. The contractor of the job must check all dimensions and other details prior to construction and be solely responsible thereafter. Contractor is responsible for all code and governing body compliance and all engineering.

As-Built

To the best of our knowledge these plans are drawn to comply with owner's specifications. The contractor and/or homeowner shall verify all dimensions and enclosed drawings. **Jones Accessible Homes, LLC** is not liable for errors once construction has begun. While every effort has been made in the preparation of these plans to avoid mistakes, the maker can not guarantee against human error. The contractor of the job must check all dimensions and other details prior to construction and be solely responsible thereafter. Contractor is responsible for all code and governing body compliance and all engineering.

1st Floor

To the best of our knowledge these plans are drawn to comply with owner's specifications. The contractor and/or homeowner shall verify all dimensions and enclosed drawings. **Jones Accessible Homes, LLC** is not liable for errors once construction has begun.
